

May 20, 1975

SENATOR MAHONEY: Mr. President, that was an error when I made the original amendment on Friday afternoon. It should have been "an". I apologize to the Legislature. That was the intention of it, that "an" agency may have the same powers to do the policing in this area.

PRESIDENT: The question is the adoption of Senator Cava . . . or Senator Mahoney's amendment. All those in favor . . . record your vote. Please vote. Please vote. Record.

CLERK: 25 ayes, 0 nays.

PRESIDENT: The amendment is adopted.

CLERK: Mr. President, another amendment offered by Senator Burbach. (Read amendment found on page 1995.)

SENATOR BURBACH: Mr. President, members of the Legislature, this is . . . there is hereby appropriated from the Mobile Home and Recreational Vehicle cash fund, with the passage of this bill there are certain fees for each mobile home and recreational vehicle these fees will go into this fund. This is a way to provide for the financing of this important bill. I say it is important and I will talk and explain to you why this is an important bill. The enactment of this legislation is necessary for persons financing their mobile homes under Federal, FHA or VA mortgage guarantee. FHA and VA require that mobile home mortgages guaranteed by them must meet the minimum standards of construction which would be met by this legislation. This amendment would allow the Department of Health to spend funds which are deposited in the Recreational Vehicle and Mobile Home Cash Fund. Without this amendment the Department of Health would not have sufficient funding to perform the inspection functions indicated by this bill. So that's why I say this amendment is important, needs to be considered at this time. I move for the adoption of the amendment.

PRESIDENT: Any further discussion? Senator Marvel.

SENATOR MARVEL: I've checked this over with Senator Burbach. I think what he's trying to do, we have double checked so that the enabling legislation plus the appropriation to a cash fund with a top amount will take care of the problem as it is spelled out there. I support the Burbach amendment to 300.

PRESIDENT: Any further discussion? The question is the adoption of Senator Burbach's amendment. Record your vote. Record.

CLERK: 27 ayes, 0 nays.

PRESIDENT: The amendment is adopted.

CLERK: That's all Mr. President.

PRESIDENT: The question is shall the bill be advanced to E & R final. All those in favor say aye, contrary nay. The bill is advanced.
